## Equipment for Year 1 and 2

Dear Parents

You will have no doubt heard in the press that schools are under increasing financial pressure and at William Shrewsbury we have had significant cuts to our budget in real terms. Unfortunately, we are now finding it increasingly difficult to balance our budgets and we have been looking for creative ways to make our money go further.

Following a successful trial last year we would like to continue to allow children to bring their own basic stationary equipment. It has really helped school financially and the children have been great about keeping track of their own belongings.

The children are allowed to bring the following items to support them in their daily work in class:

- A Pritt Stick or similar each half term (Named with permanent marker or sticker)
- 2 small whiteboard markers each half term (Named with marker or sticker)
- An A4 plastic popper wallet for reading book (Named)
- A small pencil case (for Year 2 children only) with pencil crayons and pencils, sharpener and a small ruler.

These resources will supplement school provision and no child will be left without the equipment they need in school. Thank you for your support.

Kind regards

Mrs Hayden
