## Newsletter June 2020

Dear Parents,

It has been wonderful to see some more of the children returning to school over the last couple of weeks. We have been very impressed with how sensible they have been in following our instructions to help them stay safe in their groups called 'bubbles'. While we would love to see more children, we are very sorry that, in line with our risk assessments, we are now unable to bring anyone else back as we have to make safety our priority. We all long for the day, though, when we can all be back together again.

We have had a number of parents asking about provision for children over the summer holidays. Unfortunately, as yet, nothing has been planned. Depending on government guidelines at the time, the school building might be used by external providers to run summer clubs. If we know that this is going to happen, we will contact you nearer the time. However, this may be at very short notice due to changing circumstances. We would be grateful if you could wait for us to contact you.

I am sure that parents may also be concerned about the lack of clarity about what September will bring. Again, this will very much depend on Government guidance at the time. Rest assured that we will be planning different models for different situations so that we are able to respond quickly. If we are not all able to return at the beginning of the term, our aim would be to give all children the opportunity to return to school, even if it needs to be on a rota system. We are also unable to say whether there will be breakfast club or after school clubs, though, this is looking unlikely at this time.

In the meantime, we have been seeing some fantastic home learning through emails and Google Classroom. Following improvements in security, some of our children have now started to take part in Zoom sessions with their teachers and classmates to share what they have been doing at home. Thank you for your patience as we iron out any technical and timetabling issues with this! The home learning photos really cheer us up at this difficult time so we would like to share some of them again in this newsletter. Keep them coming children, we miss you!

Mrs Curtis

### Classes for September 2020

Please see later in this newsletter, the teachers that your children will be going to, in September. You will see that there are some changes to the staff team. Firstly, we would like to welcome Mr Jon Heald who will be replacing Mrs Hayden as the Assistant Headteacher with responsibility for KS1 and community and family links. We are also looking forward to working with two new teachers in KS1, Mrs Caroline Bell and Mr Jack O'Sullivan who will be replacing Mrs Tomes and Miss Burson-Thomas. We are not sure at this stage whether we will be able to hold anything like our 'Meet the Teacher' meetings in September but we will do our best to find some way of making up for this if we can't.

### School reports

This year, the format of our school reports will be slightly different as we will not be able to comment on the final outcomes of children in some of the subjects. We will also need to send out the reports in a different way. Children who are in school will bring a paper copy home. The parents of children who are home learning will receive reports electronically on the following dates. These children will then receive their paper copy in September when they return to school. If you have recently changed your email address, please let us know by emailing [office2@williamshrewsbury.sch.uk](mailto:office2@williamshrewsbury.sch.uk)

<b>Date - Electronic copy sent out via email</b>	
Friday 10 <sup>th</sup> July	Year 5
Monday 13 <sup>th</sup> July	Year 4 and Y6 children not in school
Tuesday 14 <sup>th</sup> July	Year 3
Wednesday 15 <sup>th</sup> July	Year 2 and Y1 children not in school
Thursday 16 <sup>th</sup> July	Nursery and Reception children not in school

### Office email address

**The main office email is now**  
[office2@williamshrewsbury.staffs.sch.uk](mailto:office2@williamshrewsbury.staffs.sch.uk)

Please use this address for general enquiries, but continue to use your child's home school diary or class email for corresponding with your child's teacher.

### Parking reminder

Even though there are fewer of us in school at the moment, please remember to park safely and courteously when dropping off and picking up your children from school.

## **William Shrewsbury Primary School**

**Is your child 3 years old before  
1<sup>st</sup> September 2020?**

**If yes, and you require a Nursery place in September 2020 please telephone 01283 247490 or email [office2@williamshrewsbury.staffs.sch.uk](mailto:office2@williamshrewsbury.staffs.sch.uk)**

# Home Learning

We loved our family project designing and being inspired by Andy

Goldsworthy art we also enjoyed researching about the different natural materials he uses to create his temporary art work!

*Scarlett Smith 2B*

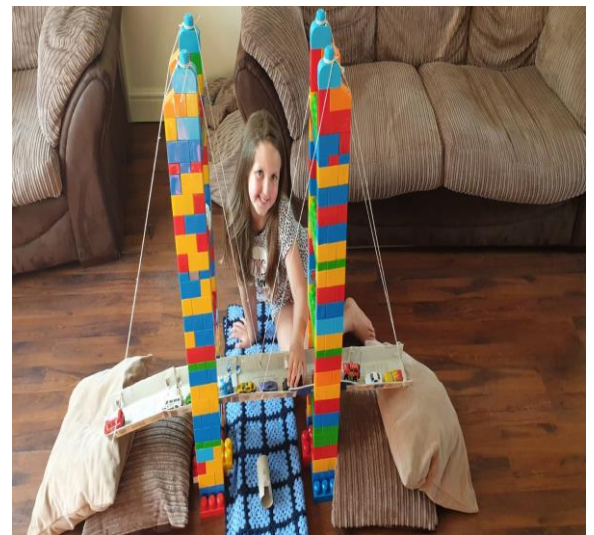

Scarlett 2B - half term project to create a picture using natural objects.

Hollie from Reception learning about capacity

Jack from 1B has been very imaginative with his family learning project, he has designed a tree that grows sweets!

Chloe's Humber Bridge model

Jackson and his brother made the Angel of the North as part of the Y4 British Landmarks weekly challenge and then decorated it for the Thursday evening NHS clap.
