## Autumn Term 2020

### WELCOME!

The children are beginning to settle into nursery and are starting to become familiar with our daily routines. Well done!

**Our main focus this term will be.....***settling the children into the nursery and supporting them with the new routines so that they feel happy and secure in their new environment. We will also be thinking about sharing, taking turns and playing nicely alongside each other.*

**Our topic is.....***"Coloured Things" - there will be a different colour focus each week. Around half term we shall be looking at Autumn colours and seasonal changes, moving on to Christmas later in the term, with lots of fun filled activities geared towards the Early Years Foundation Stage.*

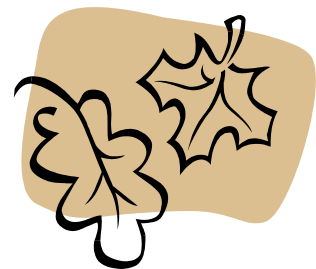

If your contact details change (eg. address, mobile no.) please let the school office know straight away so that we can keep this important information up-to-date.  
Thank you.

### Things to practise at home...
