

Dear Parent,

Next term in Year 3 we are going to be studying Volcanoes.

As part of a family learning project we want you to get creative with your child and create a volcano.

This can be in any way you choose. Be as creative and as imaginative as you like and we look forward to seeing these amazing projects!

Please could you ensure that the project is brought back into school no later than the second week of term.

Thank you,  
Year 3 team
