## Number and Place Value

Using mental maths skills I am learning to:

Count from zero in multiples of 4, 8, 50 and 100

Count in 1s, 10s, 100s from a given number

Find 10 or 100 more or less than a given number

Recognise the place value of each digit in a three digit number (hundreds, tens, ones)

Partition a number knowing the value of each digit (hundred, tens, ones)

Compare and order numbers up to 1,000

Read and write numbers up to 1000 in numerals and words

Be fluent in number bonds to 50 and 100

## Addition and Subtraction

Add and subtract numbers mentally including:

3 digit number and ones

3 digit number and tens

3 digit number and hundreds

Solve missing numbers using number facts

MATHS MAT 3

TARGET

## Multiplication and Division

Recall and use multiplication and division facts for

x2, x5, x10 (Y2)

x 3, x4, x 6, x8

Use known multiplication and division facts to mentally calculate 2 digit by 1 digit numbers

Doubles and halves to 50

## Fractions

Count up and back in tenths

Count in halves, quarters, thirds, fifths

Divide one digit numbers by 10

Recognise unit and non-unit fractions

Add and subtract fractions with the same denominator

## Measurement

Compare lengths, mass and volume  
m/cm/mm kg/g l/ml

Add and subtract amounts of money in £ and p, giving change

Tell the time on an analogue clock with increasing accuracy to the nearest minute using am and pm  
Compare time in seconds, minutes, and hours
