

Words and Sounds of the Week

Please help me to learn our words and sounds of the week.

We can build words using the sounds we are learning.

Number of the Week

This week we have looked at the number 1. We have thought about things that we have 1 of, designed our own 1 eyed monsters and investigated 1 more.

What can you find around the house that you only have 1 of?

How many number 1s can you see when you are out and about?
